

## **SCHULKIN GUITAR STUDIO**

### **Cancellation policy**

- Lessons can be rescheduled or cancelled with a minimum of 24 hours' notice.

### **Subscriptions**

- Subscription Agreement Termination: Students who wish to cancel their lesson's agreement can cancel with a 30-days notice. This is not unlike cancelling your cellphone or cable early.
- **Subscriptions are calculated for an average month containing 4 lessons;** the fifth is free in months that have a fifth week (and can be used for make-ups, no-penalty drops for illness/scheduling, etc.) and this compensates for those sometimes 3-lesson months.

### **What is included in the lessons**

- Lesson Packages or subscriptions include everything: online lessons, asynchronous follow-up, PDF materials and two recitals per year. There are no hidden costs for materials fees, recital hall booking fees, or registration fees. Tuition includes most materials and additional group studio classes/recitals, which are hosted through Zoom.
